

AFFIDAVIT

Before me, the undersigned authority appeared Daniel Herbert Roberts, who stated upon his own the following:

" My name is Daniel herbert Roberts. I was born on December 21, 1952. I am of sound mind and qualified to make the foregoing Affidavit.

I, Daniel Herbert Roberts convinced Ina Rayette Egenriether to believe that it was Booger who committed the murder of Bobby Brown on April 8, 2001. She " Ina Engenriether" did not know who the killer was and because of the fact that I knew that Booger dealt with Bobby often, and the police were going to continue to harrass her at my house I convinced her that it was Booger. I don't know who the killer is and Ina was unsure and force to say it was Booger so that the police could stay away from my house.
